**Freight**

All product is shipped FOB from Krug. Freight is paid for orders shipping to the destination (dealer or territorial) warehouse and for full truckloads shipping to jobsite.

**Process for Ordering**

Purchase orders may be sent to Krug from the State or an authorized dealer. Krug will reimburse the dealer fee and installation on all purchase orders received directly from the State.

Leveraging a rich heritage of manufacturing quality furnishings for over 140 years, we have created an outstanding portfolio of healthcare and commercial products that beautifully blend form and function. Our offering represents, affordability, renewability, sustainability and a great return on investment. Our healthcare line is comprehensive and includes options for public and patient spaces. Our commercial offering includes private office casegoods, conference, training and cafe tables and a variety of task, guest and lounge seating options. Many products contained in our healthcare and commercial offerings are distinctly suited to educational and institutional environments. Our environmental commitment is strong. We are committed to incorporating environmental sustainability in all of our business practices and manufacturing processes. We feel it is important to provide well-designed furniture in the most environmentally responsible way possible. We continue to strive for better ways to reduce our environmental footprint through achieving FSC®, GREENGUARD™ and level® in addition to pursuing Healthy Hospitals Initiative (HHI) requirements.
